

Michael Chen

Email: michael.chen@email.com | Phone: (555) 345-6789 | Location: New York, NY

SUMMARY

Data Scientist with 5 years experience in machine learning and analytics.

TECHNICAL SKILLS

- ML: Python, TensorFlow, PyTorch, scikit-learn
- Data: SQL, Pandas, NumPy, Spark
- Visualization: Tableau, Matplotlib, Seaborn
- Cloud: AWS SageMaker, Google Colab

WORK EXPERIENCE

Data Scientist | AI Analytics | New York, NY

Jan 2020 - Present

- Built recommendation systems serving 1M+ users
- Improved model accuracy by 25% through feature engineering
- Created dashboards for business stakeholders

Junior Data Scientist | DataLab | Boston, MA

Jul 2018 - Dec 2019

- Cleaned and analyzed large datasets
- Built predictive models for customer churn

EDUCATION

Master of Science in Data Science

Columbia University, 2018

Bachelor of Science in Statistics

UCLA, 2016

CERTIFICATIONS

- TensorFlow Developer Certificate
